

# Psychologically Informed Peer Mentoring

CHARLIE WOOD

CHARLIE RADBOURNE

DR STEPHANIE BARKER

# Outline

- ▶ Background of the project
- ▶ Client case studies
- ▶ Changes to the programme
- ▶ Issues around implementation
- ▶ Data—client and peer outcomes

# Project Background

- ▶ Outcome Home—Social Enterprise
- ▶ Two main streams of funding
  - ▶ Basingstoke council by MHCLG July 2018 – Dec 2019
  - ▶ RSI by MHCLG April 2019 – April 2020
- ▶ First pot of money helped to set up for success of second
  - ▶ Develop relationships
  - ▶ Try things out
  - ▶ Get to know the areas and what gaps might benefit from peers
  - ▶ Recruit peers!!

**OutcomeHome**  
CONSULTING, EVALUATION & TRAINING

# Context of Areas

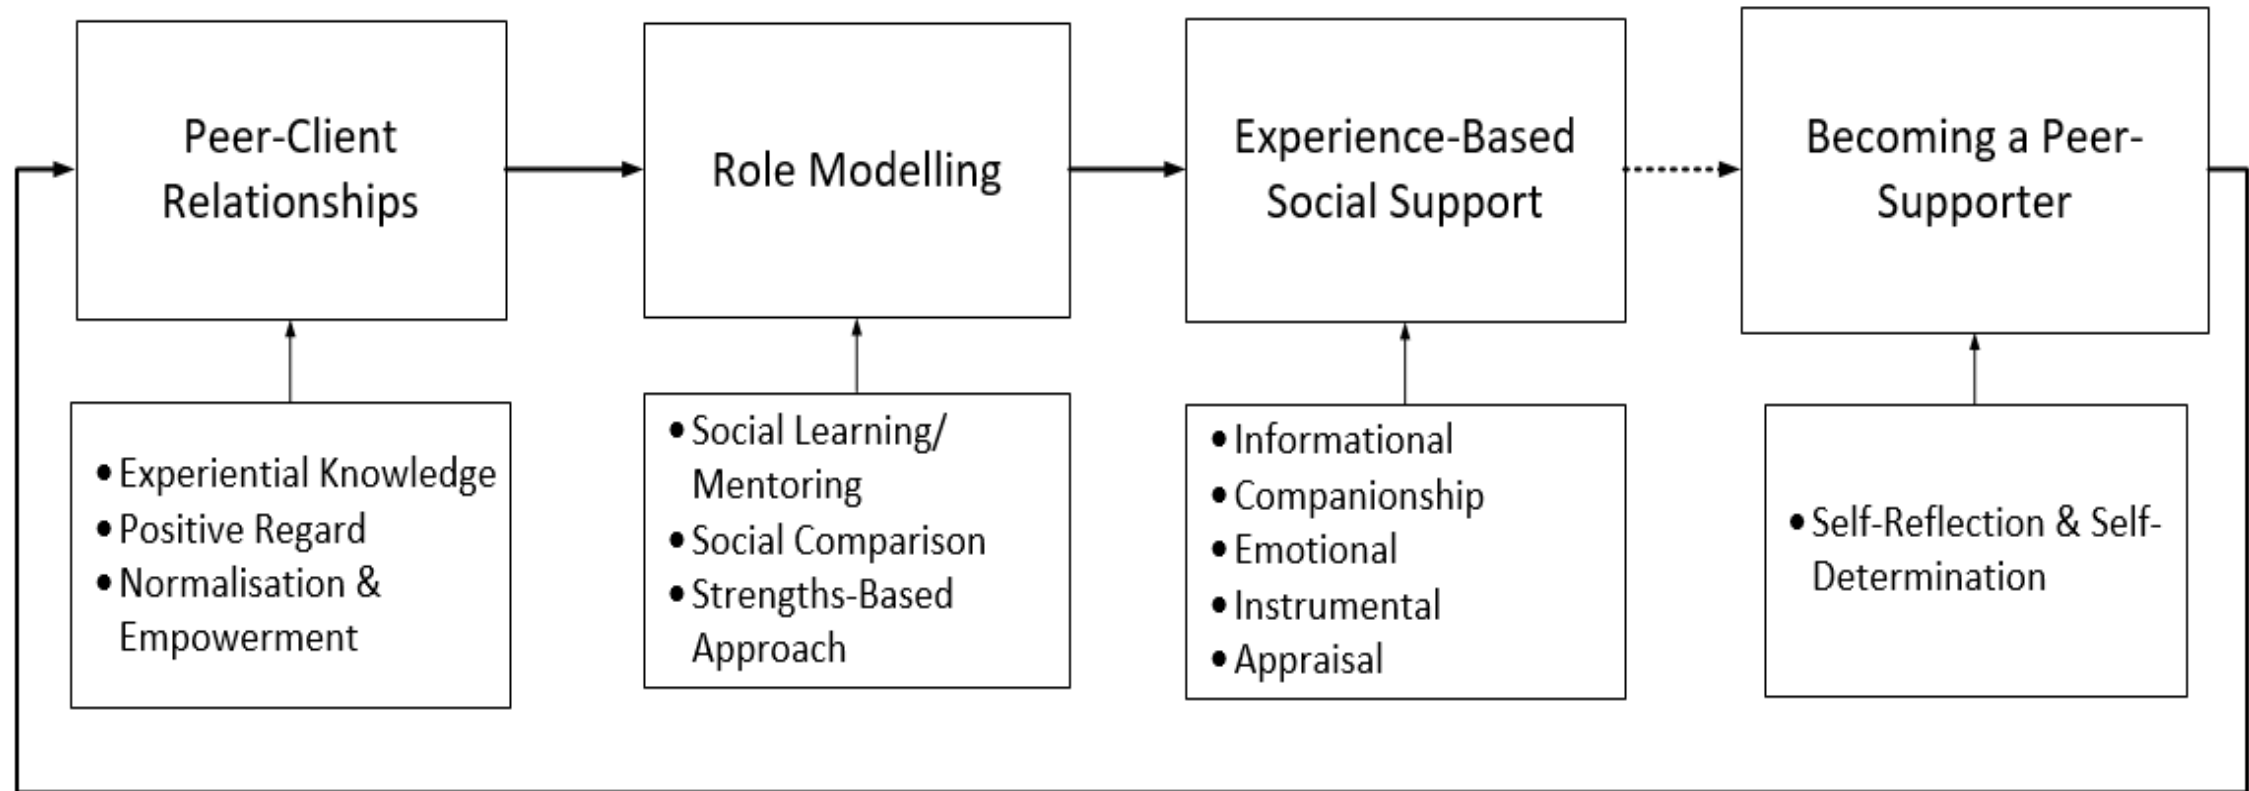

- ▶ Basingstoke - Social Inclusion partnership (SIP)
- ▶ Winchester recently started similar group (SIG)
- ▶ MEAM areas
- ▶ Research suggest that for peer support to be effective, there needs to be support, acceptance, and value of lived experience (Barker et al., 2018)

# Evidence-Based Model

- ▶ Research aimed to identify and define the underlying change mechanisms involved in homelessness and peer support
  - ▶ Reviewed research articles, peer programmes, interviews with peers, clients, and staff to come up with a model of how peer support works
  - ▶ See Barker & Maguire, (2017); Barker et al., (2018; 2019)
- ▶ Model describes a specific type of peer support:
  - ▶ Intentional, Unidirectional Peer support (Peer Mentorship)

# Theoretical Model of Peer Support

# Practical Model of Peer Support

## Supporting the Client:

- ▶ Our purpose is to reduce rough sleeping and encourage engagement in services
- ▶ Client-directed care—their values and goals
- ▶ Encourage the system to work for clients
- ▶ Lean on the services!
- ▶ Pressure to do their job!

## Support for the Peer:

- ▶ Training
- ▶ Supervision & Support from Psychologists—KEY
- ▶ Support from other peers
- ▶ Reflective practice sessions
- ▶ Experience
- ▶ Opportunity for growth

**Life is like an airplane.  
You have to put your own oxygen mask on first.**

Both need to happen for peer mentoring to be effective!

# Case Study 1: R (Win!)

- ▶ R is autistic but staff didn't know about it
- ▶ Rent arrears—found out why and put plan in place
- ▶ Flat in bad shape
- ▶ Being bullied
- ▶ He now has reduced arrears and got apprenticeship.

## Case Study 2: TM (Lesson Learned!)

- ▶ Complex case
- ▶ Too much psychiatric background
- ▶ Formed emotional dependencies
- ▶ Violent & unpredictable
- ▶ Longest stay in hostel
- ▶ Not enough background info

## Case Study 3: GM (Win!)

- ▶ Vulnerably housed
- ▶ Mental health problems
- ▶ Under threat of eviction
- ▶ Felt unsafe in his own home
- ▶ Sofa surfing
- ▶ Now happy at home and working
- ▶ Making and going to his own appointments

# Case Study 4: AB (Lesson Learned!)

- ▶ In and out of prison / substance misuse
- ▶ Sleeping rough
- ▶ Not engaging
- ▶ Universal credit set up
- ▶ Struggling with life
- ▶ Now in a shared house
- ▶ Coming to terms with his life

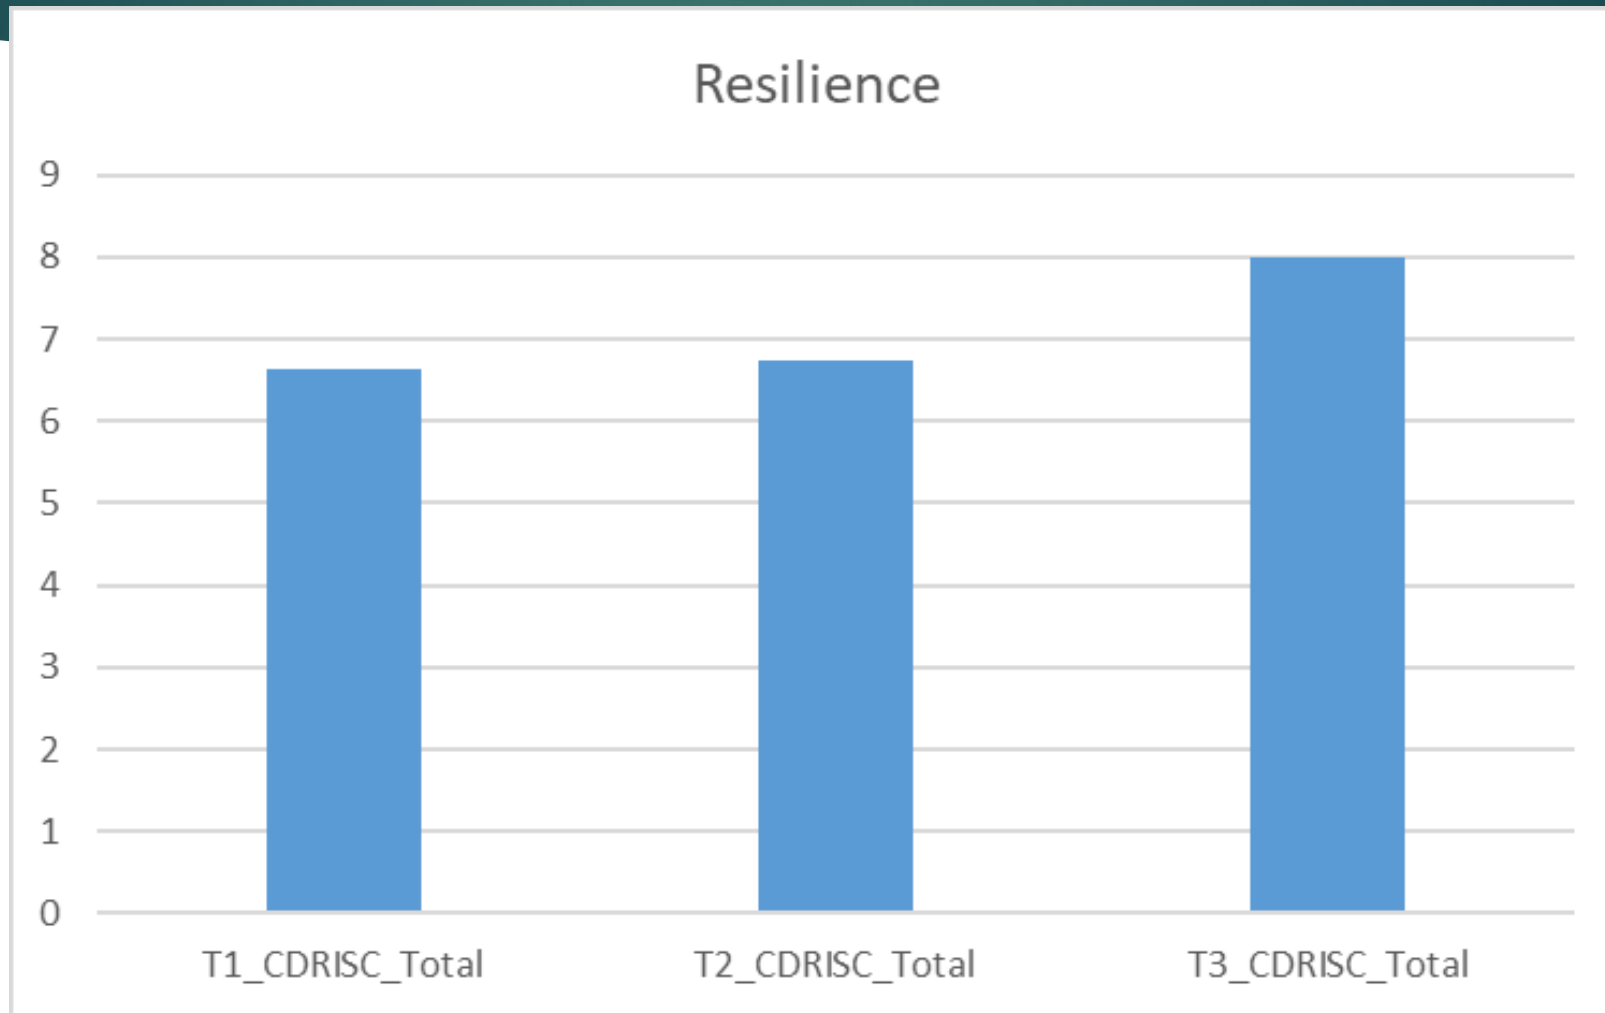

# How We Adapted

- ▶ Training
- ▶ Recruitment, Interview, and Training goals
- ▶ More focused role definition—but context dependent and reliance on relationships
  - ▶ Activity summaries
  - ▶ Communication clarity
- ▶ Who provides Reflective Practice/supervision
- ▶ Practical aspects—group chat
- ▶ Flexibility for peers

# Implementation Issues

- ▶ Recruitment
- ▶ Getting clients to start—drop-in sessions
- ▶ Having a ‘Charlie’ vs not having a ‘Charlie’
- ▶ Team dynamics
- ▶ Client notes!

# Peer Outcomes

# Client Outcomes

- 51 Client

## Housing situation Nights spent sleeping rough (past 3 months)
